The Wall Township Public School District is seeking an accomplished, highly motivated educational leader to serve as superintendent of schools. Wall Township is a suburban community in southern Monmouth County, NJ, which serves approximately 3,650 students in a PK-12 environment. The Wall Township Board of Education is seeking a superintendent who has a deep understanding of the teaching/learning process which promotes the philosophy of continuous improvement. The successful candidate will have a strong background in curriculum and a proven record of collaboration and consensus-building. The Board is seeking a leader who is inspirational, motivational, transparent, caring and builds on the successes of the district. This student-centered educator will foster a positive and professional climate of mutual trust and respect among faculty, staff, students, parents, administrators, board members and the community at large. Candidates should also have a firm grasp and understanding of facilities management.

Qualifications:

NJ Administrator Certificate or Certificate of Eligibility required
Experience as a Superintendent/Central Administrator/or Principal experience required
Experience in a similarly sized district
Teaching experience highly preferred
Demonstrated success in financial management and resource allocation

Position available on or about July 1, 2020 depending on availability of candidate.

To apply, email letter of interest and resume to:
