Re:            Observance of Jewish Religious Holidays

Please be aware that the highest of Jewish religious holy days, Yom Kippur, begins at sundown on Tuesday, October 8, 2019 and continues through Wednesday evening, October 9, 2019. I am asking all staff to be cognizant and sensitive to the issues and concerns involving our students of the Jewish faith during this time. During your planning, please give these dates special consideration with regard to test dates, assignment due dates, and participation in extra-curricular activities.

In addition, special consideration with regard to assignments should be extended to those students who observe Rosh Hashanah, which begins at sundown on Sunday, September 29, 2019 and continues through Tuesday, October 1, 2019.

Thank you in advance for your cooperation in this matter.
